**PAARI – Police Assisted Addiction and Recovery Initiative**
Highland has partnered with Massachusetts-based PAARI. The Highland Police Department provides education, training and resources to take direct action against drug/alcohol addiction in their communities. Already, Highland Police are working to provide victims and their families much-needed guidance in an effort to save a life while providing support for families who suffer when family members are addicted to drugs/alcohol. It is hoped that by helping individuals through their recovery, they will become productive members of society and shun a life of crime. For more information, please contact Det. Cpl. Brian Stanley at (219) 838-3184 or email at bstanley@highland.in.gov.
