

TRAFFIC SAFETY SPECIAL MEETING
February 8, 2022

The Traffic Safety Commission met in person at 3315 Ridge Road, Highland Police Dept. Commander Banasisk called the meeting to order at 10:30 A.M.

Roll Call: John E Banasiak, Commander Police Department
 Robyn Pappenheim, Project Engineer of DVG Team, Inc.
 Steve Jurczak, Police Commissioner
 William Timmer, Fire Chief
 Roger Sheeman, Councilman
 Mark Knesek, Public Works Director
Also present: Derek Snyder- Nies Engineering
 Les Dreisherf- Design Alliance Architect
 Don Torrenga- Torrenga Engineering
 Ken Mika- Building Commissioner
Absent w/prior notice: Chief Peter Hojnicki

A motion was made by Public Works Director Knesek and seconded by Fire Chief Timmer to take the Tabled Auto Spa review off the table. The Traffic Safety Committee on a viva voce vote approved.

Highland Auto Spa- Mr Don Torrenga presented the newly revised site plan for the entrance/exit area showing the "porkchop" and no left out onto US 41. Some discussion was had regarding the changes and on a motion by Public Works Director Knesek and a second by Police Commissioner Jurczak the Commission on a viva voce vote approved the site plan as presented with the "porkchop" to be 20' wide and at least 6" tall with signage to be posted stating "Right Turn Only" with the Ordinance listed below and ground markings as well for the exit.

With no further business the meeting was adjourned at 10:45am
