

The following is our study session agenda for July 15, 2025. If there are any additions, please send them to me.

- Sanitary District Engineer Status Report. DEREK
- Public Works/Sanitary District Status Report . MARK K.
- Sanitary District Attorney Status Report. Whether the plaintiffs have issued any substantive response to Hammond's extension request. Updates with respect to any new information regarding potential progress in the completion of the Southeast Quadrant Projects by Hammond.

Does Highland now have Hammond's complete operations and maintenance financial expenditure plan, including rate of return, in order to perform a full review and analysis of HSD deliverables so as to determine a fair treatment rate?
