

**TRAFFIC SAFETY MEETING**  
**December 2, 2025**

The Traffic Safety Commission met in person at 3315 Ridge Road, Highland Police Dept. Chief Potesta called the meeting to order at 8:05 A.M.

Roll Call:                    Steve Jurczak, Police Commissioner  
                                  John Banasiak, Patrol Commander  
                                  Mark Knesek, Public Works Director  
                                  Glenn Schlessner, Fire Chief  
                                  Tom Black, Councilman/Liaison

Also present:                9 residents from Prairie Ave  
                                  George Georgeff, Town Councilman

Discussion was had with several (9) residents from the 8700-8800 blocks of Prairie Avenue concerning the traffic issues and the Traffic Safety Commission. After such, a motion was made by Councilman Tom Black and seconded by Police Commissioner Steve Jurczak, and the Traffic Safety Committee concurring, to have the Towns Traffic Engineer suggest a time frame for a traffic study for the areas of concern.

It is also noted Councilman Georgeff stated the Council would provide the "temporary" speed bumps, when that phase is determined.

With no further the meeting adjourned at 9:15 am.
